Whiteriver Unified School District

Our Mission: **WUSD, working together with community, will empower all students to achieve their highest potential, graduating prepared for higher learning and careers.**

Our Priority Areas and Goals:

Roadmap to Success for all Students	Positive Culture & Student Wellbeing	Inclusive Communication	Effective Operations, Use of Resources, & Systems	Community Collaboration for Student Achievement	Recruitment & Retention of Effective Professionals
• Provide supports (funding, positions and programs across all grades) to ensure all students are college and career ready. • Implement a variety of effective programs that maximize student engagement. • Differentiate instruction to increase effectiveness of student learning through multiple modalities. • Involve students in the educational process and programs.	• Create and sustain an organizational culture embracing diversity that fosters leadership and accountability for all employees and students. • Include all stakeholders in meeting the well-being and academic success of students in WUSD schools. • Provide a culturally-relevant, safe and secure environment.	• Communicate and demonstrate WUSD vision, goals and actions. • Establish transparent communication among stakeholders to build trust and inclusivity. • Commit to collaborative, creative, and outcome-based interactions.	• Provide safe, inviting and well-maintained facilities. • Align financial, physical, and personnel resources to maximize educational achievement. • Manage district resources efficiently and effectively i.e., technology, equipment, transportation, and staffing.	• Empower parents and guardians to be actively involved in the school environment. • Develop community partnerships to promote meaningful connections such as volunteerism, sponsorships, mentorship, and hosting of school events. • Create a WUSD presence in the White Mountain Apache community.	• Strategically recruit and retain highly qualified individuals to meet the needs of all our students and community. • Optimize placement of personnel to provide instruction and educational services that are effective and equitable for all students within the district. • Provide relevant, data driven professional development that is strategic, job embedded and targeted to create and sustain effective staff.

Our Dashboard of Success Metrics:

% increase District Assessment Data % increase Arizona State Tests % increase District Benchmark Assessments % Attendance % Graduation Rate % State Letter Grade	% increase Community Engagement % increase in Parent Engagement & Satisfaction # of Maintenance tickets completed/timeframe of completion % Monies Spent (State, Local, etc.) % Money Spent & Cash in hand # Students Enrolled

Our Core Values:

Schools Are for Children	Schools Belong to the Community
Schools are People Developers	Self-Effort Educates
