4. Use of Brand Names

Brand names, trade names, model numbers, and/or catalog numbers are used to indicate the character, quality, and/or performance characteristics of the materials desired. The Offeror is cautioned that it is the Offerors sole responsibility to submit information related to the evaluation categories and that the Whiteriver Unified School District of Arizona is under no obligation to solicit such information if it is not included with the offerors bid. A. Offer and Acceptance

Offeror shall include a signed Offer and Acceptance Form. The Offer and Acceptance Form shall be signed with an original signature by an Authorized Representative of the Offeror, and shall be submitted with the submitted bid no later than the Offer due date and time. It is the vendor's responsibility to ensure that the bid package is delivered on the due date by the time required. Delivery times vary for all packages delivered to WUSD. 7. Evaluation**A. Opening**

Sealed bids received by the correct time and date shall be opened and each vendor's pricing shall be publicly read. All other information contained in the Offer shall remain confidential until award is made.

B. Evaluation Criteria

Bids may not be considered responsive and/or acceptable if they do not contain information sufficient to perform the necessary vetting of information requested in the IFB. Necessary components include an indication of the Bidder's intent to be bound, bid pricing submittal, acknowledgement of amendment(s), appropriate bonds, warranty information, company profile and any pertinent reference data as required. As stated in the Uniform Instructions, Exceptions to the Terms and Conditions may impact a Bidder's susceptibility for award. A tally sheet will be developed with the pricing and costs requested in the IFB.

C. Clarification of Bid Submittals

Clarification means communication with Offeror for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the Bid. It is achieved by explanation or substantiation, either in response to an inquiry from the District or as initiated by Offeror. Clarification does not give Offeror an opportunity to revise or modify its Offer, except to the extent that correction of apparent clerical mistakes results in a revision.

D. Responsibility, Responsiveness and Acceptability

In accordance with R7-2-1076, R7-2-1161, R7-2-1168, R7-2-1171, and R7-2-1003(B), R7-2-1031 or R7-2-1046, the District shall consider the following in determining Offerors' responsibility as the responsiveness of bids submitted in response to the solicitation. Determinations of non-responsibility and/or non-responsiveness shall be made in writing and shall set forth the bases for the determination. Bids determined to be non-responsive and/or non-responsible shall prevent the bid from evaluation and the Offeror shall be notified accordingly.

1. Mandatory Responsiveness Requirements

 3. Is the subject of efforts by myself or my organization that are reasonable under the circumstances to maintain its secrecy.

Please note that failure to attach an explanation may result in a determination that the information does not meet the statutory confidential and/or trade secret definition.

If the District agrees with the bidder's designation of trade secret or confidentiality and the determination is challenged, the undersigned hereby agrees to cooperate and support the defense of the determination with all interested parties, including legal counsel or other necessary assistance.
