

We can help if your family lives in...

- a shelter
- a car, park, abandoned building
- doubled-up with others due to loss of housing or economic hardship

Eligible children have rights to:

- free public education
- enroll in school immediately (even if lacking documents needed to enroll)
- Enroll in school & attend classes while school gathers needed documents
- Enroll in local school or continue attending their school of origin (school they attended when permanently housed or last school enrolled)
- Receive transportation to & from school of origin
- Receive educational services comparable to those provided to other students
