Positive Behavior Interventions & Support

This year we will be focusing on behavior expectations following the core characters of the district's Positive Behavior Incentive System (PBIS). The core characteristics of WUSD are:

-RESPECTFUL- -RESPONSIBLE- -SAFE- -EXCELLENT-

Students are rewarded with PBIS tickets as they showcase these traits in the classrooms, hallways, cafeteria, bathrooms, athletics, and other school wide events. Students turn in their PBIS tickets for weekly drawings where they can win different prizes like CDJH merchandise, movie tickets, Greggo's certificates, and MORE! A PBIS store will be opening second semester to allow students to spend their tickets and purchase a variety of other prizes. We have seen an increase in student participation and we are excited to see the students rise to the expectations of positive behavior at CDJH.
